Travelling to Salzburg

Salzburg Airport W.A. Mozart

Salzburg's international airport W.A. Mozart receives many international direct flights each day. The airport is approximately four kilometres west of the city centre.

By Train to Salzburg

Because of its location, it is easy to reach Salzburg by train. The Salzburg Central Train Station ("Hauptbahnhof") is close to the city centre. Many local and regional buses stop at the place in front of the station for passenger pick-up and drop-off (5:00 am to 11.30 pm).

By Car

The Austrian motorways, so-called "Autobahnen" provide the best access to Salzburg by car. The Westautobahn A1 from Vienna via Linz provides access from the East. The A8 (Munich, Germany / Innsbruck, Austria) provides access from the West and the A10 Villach/Graz comes from the South (Italy and Slovenia).

Useful information

Health System and Insurance

In order to be eligible for free health care, you will need the European Health Insurance Card (e-Card). A visit to the doctor is free of charge. It is also possible to purchase supplemental insurance.

Visas and Residence Permits

No visa is required for residents from other EU countries. For your stay in Austria, it is necessary to arrive with a valid passport / identity card and present this at border control as well as evidence of sufficient financial resources and health insurance plan.

Accommodation and Living Expenses

If you're looking for accommodation, you can find an overview at the following websites:

or

Shops

Supermarkets and shopping malls often open until 7 or 7:30 pm on weekdays; the shopping centre EUROPARK is open Monday to Tuesday 9 am to 7:30 pm, Friday 9 am to 9 pm and Saturday 9 am to 6 pm. On Sundays and holidays shops at train stations and petrol stations are open (but usually more expensive than other supermarkets!).

Banks

The opening hours vary from bank to bank, but in general they are open Monday to Friday 9 am to 12 am. They are closed on Saturday and Sunday.

Insurance

Citizens of the European Union

All citizens of the EU have to take their Electronic Health Card to Austria. Then they can use the services of the Public Health Service which is generally very good. Tipp: check your credit card - it might include a travel insurance, which covers further costs.

Public Transport

Salzburg's public transport system is very well-developed. All of the city's major areas are accessible by one of the environmentally friendly city buses. Bus stops are clearly indicated by signs. Single tickets have to be validated at the validating machine on the bus before each trip. Weekly and monthly tickets need to be validated only once.

You can reach our campus by **bus** Nr 3, 5, 8 and 27 heading southbound. Our bus stop is called "Akademiestraße" (3, 8), "Erzabt-Klotz-Straße" (5) or "Sportzentrum Nonntal" (27). The Salzburg Public Transportation Service Center is located in the basement of the Central Station, Salzburger Lokalbahn, Südtiroler Platz. There you can get tickets, information and other material.
